## Booking Terms & Conditions

1. A deposit of 50% of the tour price is required to confirm the booking (full payment of 100% is required during festival periods). Please submit the names of all travelers along with copies of passports or national ID cards and contact numbers after payment. For family bookings, please inform the staff of room-sharing arrangements. The company reserves the right to confirm bookings only upon receipt of the deposit.
2. The remaining 50% balance must be paid no later than 30 days prior to the departure date. Upon receipt of full payment, the company will issue a receipt and pre-departure documents 3–7 days before departure. The company reserves the right to cancel the booking if the balance is not paid by the stipulated deadline, and will refund the amount paid after deducting actual expenses incurred.
3. Cancellation Policy
  - More than 30 days before departure: Refund will be issued after deducting actual expenses already incurred.
  - Less than 30 days before departure: No refund will be issued under any circumstances.
4. In the event of a medical emergency, serious accident, or death, the company reserves the right to deduct actual expenses already incurred, such as airfare and hotel costs. The remaining balance will be refunded to the traveler upon submission of supporting documents, including a medical certificate, death certificate, or other documents issued by the relevant government authority.
5. Any changes to the traveler's name or travel dates must be notified to the company at least 7 days prior to departure. If changes are requested after documents have been issued, the company reserves the right to charge all actual expenses incurred, depending on the travel period and the status of each group's processing. Please consult with staff for specific cases.
6. The tour price includes: domestic round-trip airfare (economy class with meals), checked baggage allowance as specified by the airline, airport and fuel taxes, accommodation, transfers, guide gratuities, travel insurance with life coverage of 1,000,000 THB and accident coverage of 500,000 THB, entrance fees as specified in the program, drinking water (1 bottle per person per day), meals, activities as specified in the program, and 7% VAT.
7. The tour price excludes
  - Personal expenses such as visa fees, food and beverages not specified in the program, minibar charges, shopping, telephone charges, laundry services, and medical expenses arising from pre-existing conditions.
  - Additional costs for travelers who follow Islamic dietary requirements, are vegetarian, vegan, or have dietary needs outside the provided menu, as meals are priced per table.
  - Excess baggage charges beyond the airline's allowance
  - Any other expenses not specified in the program.
8. The company does not arrange shared rooms between unacquainted individuals. Solo travelers are required to pay the single supplement as specified.

9. Passports must have a remaining validity of at least 6 months and national ID cards must not expire from the return date. Damaged passports — including those that are wet, torn, detached, or otherwise impaired — may be rejected by the airline or immigration authorities. Travelers must ensure their passports remain in good condition at all times. A damaged passport must be renewed and the company notified immediately.

- If the airline ticket has not yet been issued, details may be amended at no charge.
- If the airline ticket has already been issued, the company reserves the right to charge all actual costs incurred.

10. The company accepts no responsibility and will not provide refunds for circumstances beyond its control, including

- Denial of entry or exit by immigration authorities due to unlawful conduct, illegal entry or exit, invalid or expired travel documents, or other grounds for refusal.
- Illness, assault, theft, loss, or accidents.
- Voluntary non-participation in any part of the program, such as skipping activities or meals.
- Airline delays.
- Missed flights due to the traveler's own tardiness (travelers must check in at least 4 hours before departure).
- Loss of personal belongings during travel (travelers are responsible for safeguarding their own valuables).
- Dissatisfaction arising from personal purchases of goods or services during the trip, as these are the sole responsibility of the traveler.

11. In the event of force majeure beyond the company's control — such as natural disasters (earthquakes, storms, floods, etc.), flight cancellations by the airline, civil unrest, protests, travel restrictions, border closures, or public health emergencies (e.g. disease outbreaks) — the company will reschedule the departure or refund the remaining balance after deducting actual expenses already incurred, such as airfare, accommodation, and service fees. Supporting documents, such as an official cancellation notice from the airline or a government order, must be provided.

Note: The company reserves the right to consider each case individually based on the reasons and documentation received.

12. The tour price is based on group airfare. Travelers are not permitted to change flight dates or times for any portion of the trip independently. All travelers must depart and return together as a group according to the set schedule. The company reserves the right to assign seats on the aircraft.

13. Travelers requiring special assistance, such as wheelchair services, must notify the company at least 14 days prior to departure or at the time of booking. Failure to do so may prevent the company from making advance arrangements.

14. Tour guides, drivers, staff, or company representatives are not authorized to make commitments on behalf of the company unless accompanied by a signed document from an authorized signatory.

15. The company reserves the right to cancel the tour with at least 14 days' advance notice if the minimum number of participants is not met. Full refunds will be provided to all travelers. Should all travelers agree to pay an additional supplement to enable the group to proceed, the company will coordinate accordingly.

16. The company reserves the right to modify the program, flight schedule, or type of transport as appropriate, with advance notice to all travelers.

17. The company reserves the right to adjust the tour price in the event of increases in fuel costs, airfare, or related charges prior to departure.
